## Are you up to the Million-Minute Winter Reading Challenge?

From Jan. 1-31, the Brazoria County Library System is participating in "All the Feels," a Winter Reading Challenge sponsored by Beanstack. We challenge our community to read more than a million minutes during the month and to keep track of their time spent reading by using the free Beanstack mobile app, the library's Beanstack website: [bclsbc.beanstack.org](https://bclsbc.beanstack.org), or pick up a reading log from their local branch library.

All ages are eligible for a reading prize upon finishing 10 hours, which can be picked up at their local branch.

"Reading just 20 minutes each day will allow people to qualify," said Tom West, Community Engagement Coordinator for the Library System, who encourages everyone to adopt a resolution to read more in the coming New Year!

Last year, 1,241 people registered for the Brazoria County Winter Reading Challenge and read a total of 1,014,469 minutes!

NewsBank provides a comprehensive collection of reliable news sources covering a wide array of topics and issues.

You can find it under both the eBranch and Research Room tabs on our webpage.

Brazoria County Library System cardholders

**SAVED \$1,151,777.00**

in November 2022 by borrowing instead of buying or renting!

Do you have one?

**It's free!**
